## WORK EXPERIENCE

### **Vinh Pham Photography** // Photographer, Videographer (Nov 2016 - Present)

Capture unit stills and EPK content for film productions, commercials, music videos, and interviews. Specialize in storytelling through headshots, portraiture, editorials, and event photography with a focus on emotional authenticity.

### **W3AR3 Visions** // Creative Producer (Nov 2023 - Present)

Play a lead role in creative development across all phases of The Creed projects under W3AR3 Productions. Shape the overall visual and narrative direction, including character arcs, world-building, and thematic structure. Oversee development of pitch decks, concept art, websites, and promotional materials.

### **Glenn Rose Real Estate Photography** // Photographer/Videographer (Mar 2017 - Feb 2023)

Led the transition from traditional workflows to a custom-built web-based application that introduced new features such as client dashboards and automated delivery systems. Collaborated with company founders on strategy and service innovation to maintain leading market presence in Sacramento and surrounding regions. Photographed and delivered high-end real estate media for luxury listings, ensuring quality and client satisfaction.

### **UCLA Office of Information Technology** // Web Applications Developer (Jul 2007 - Mar 2015)

Designed and implemented full-stack web and mobile applications for university departments. Led meetings with department heads to present, plan, and execute digital solutions. Developed tools to improve internal workflows, optimize user experience, and support institutional needs.

## EDUCATION & CERTIFICATIONS
